

ENTP

ENTPs answer the question & question the answer

Extraverted Intuitive Thinking Perceiving

Popular Occupations for ENTPs

Director: stage, motion pictures
Reporter and correspondent

Columnist, critic, and commentator
Broadcast news analyst

The fields of marketing, advertising, and public relations allow the ENTP to be involved with other creative people, developing and implementing their ideas, often in creative and exciting ways. ENTPs enjoy the fast-paced, sometimes glamorous world of publications and advertising and are able to use their charm and people skills to sell their ideas and concepts. Market research requires
